MEMORANDUM FOR: Executive Secretary, O/DCI

FROM : Gene F. Wilson
Chief, Information and Privacy Staff

SUBJECT : Request for Search of Review Staff Files

STAT 1. It is requested that a search be made of the Review Staff files for information on Privacy Act requester Mr. Jonathon E. Davis [redacted] and/or a record of correspondence between Senator Church, Representative Pike and Mr. Davis. Allegedly, this correspondence was forwarded to the CIA by FBI Director Kelley prior to January 1976 (attachment 1, para 4).

2. The files of OLC, DDO, OS, CRS and the Executive Registry have been searched with negative results. OP had a card notation that Davis had applied for employment with the Agency in 1965 and again in 1972. We responded (attachment 2) on 31 August 1976 to the requester advising him of the above negative results and the reference to his application for employment.

Mr Gene F. Wilson, Information and Privacy Coordinator
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr Wilson:

Thank you for your letter of August 31, 1976.

I take this opportunity to appeal the information contained therein as incomplete. This letter should be construed as an administrative appeal for denial of access to information I believe the agency has concerning my person, but which was not referenced in your letter of August 31, 1976. I allege that the following information was withheld:

1. a record of CIA luncheon conference held between CIA agent and myself that took place in October 1971 at Harvey Wellbarger Restaurant, San Francisco, California;
2. a record of CIA harassment and harassing surveillance that took place in Pittsburgh, Pennsylvania, and Monterey, California (circa 1971-1972);
3. a record of CIA negligence and covert manipulation which served to place requester's life in danger on several occasions in Monterey and San Francisco, California in 1971 and 1972.

2.

4. a record of communication between Senate Church, Representative Pike and myself which Director FBI, Clarence M. Kelley informed me (in a January, 1976 letter) had been forwarded to CIA for its consideration. (Contents of this letter alleged gross negligence and violation of my civil rights by CIA and/or FBI.)

That such information is sensitive would be a foregone conclusion to any disinterested observer, however I feel such records should be released in accordance with Privacy Act in that the withholding of same information would serve to deny the requester his fundamental rights as a citizen of this nation during time period involved (1971 and 1972).

Thank you for your attention in this matter.

Sincerely yours,
Jonathan S. Davis
